IMPORTANT TO REMEMBER

- If you miss class due to a medical appointment, you must ask the Doctor for a **medical certificate**. Please bring the **original** medical certificate (NO COPIES) to Level 10 Student Services as soon as possible.
- This is not an extensive list of all of the medical & dental clinics in Melbourne – you are free to visit the doctor or dentist of your choice, as long as you obtain an **official medical certificate**.
- Having Overseas Student Health Cover does not necessarily mean the medical appointment is free. Some clinics will charge a gap (reduced) fee, others will not charge you at all – this will depend on the clinic and the type of service you are seeking. Please call the clinic to confirm fees.
