

Foundation Studies program

The Foundation Studies program is one year delivered over two semesters. It involves eight subjects and ~21 hours of study per week.

Tailored streams for students to choose from:

Art, Design and Architecture

Business

Science, Engineering and Health

CRICOS Provider Code: 00122A

Entry requirements:

- English language proficiency equivalent to **IELTS 5.5**
- Successful completion of Australian **Year 11 equivalent**, with a D average or above (e.g. Senior Middle 2 with minimum overall average of 60%)

Students will experience:

-  High-quality teaching and learning
-  Study support for success
-  Pastoral care and mentoring
-  A vibrant student community
-  An engaging learning environment

Pathways community

Our Student Experience team offer a range of activities to join to help students make new friends, explore Melbourne and have fun while they study.

Wellbeing

Our staff are there to help. They will welcome students to Melbourne and the program, providing advice, guidance and support.

Students' progress and wellbeing is our priority.

Inspiring the future

We have specialist facilities that allow for small group activities and place students at the centre of their learning.

Our teachers are experienced, helpful and love what they do.

Home and belonging

We offer a free mentoring program to help students adjust to life at RMIT and in Melbourne.
